Initial : _____

(3) Salaries and Wages Information:

Our graduates are all international students who are already working and could have promotion and/or new positions based on their degrees obtained from AUSTC. We don't have enough graduates' data about domestic wages and salaries, but such information is generally compiled and may be accessed as follows.

For detailed information on wages and salaries, you may visit the governmental official site of California labor market information.

1. Visit www.austc.us
2. Select [Governmental] from left side menu
3. Select [Wages Search] from the dropdown menu, or
4. Copy the following line to your browser's address line:
<http://www.labormarketinfo.edd.ca.gov/cgi/dataanalysis/AreaSelection.asp?tableName=oeswage>
5. Follow searching method as applied on the website

Initial : _____

(4) LICENSING AND CREDENTIALS

Most professional organizations, societies, states and licensing jurisdictions have specific requirements for licensure, membership or certification. If licensing or credentialing is a major objective, Students are advised to first check the standards of their particular states, school districts, professional associations and agencies for specific license requirements. The University does not represent that its courses or programs of study meet any licensing requirements.

Initial : _____

**(5) NOTICE CONCERNING TRANSFERABILITY OF CREDITS
AND CREDENTIALS EARNED AT OUR INSTITUTION**

The transferability of credits you earn at the American University for Science and Technology is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in the American University for Science and Technology is also at the complete discretion of the institution to which you may seek to transfer. You should make certain that your attendance at this institution will meet your educational goals. The transferability of credits earned at other facilities' transfer to The American University for Science and Technology are a subject for pre-admission evaluation. Even though credits obtained at accredited and state approved universities are generally acceptable, after assessment to examine equivalency to AUSTC applied curriculum and syllabus. The American University for Science and Technology has not entered into an articulation or transfer agreements with any other college or university at the time of making this fact sheet. Any change shall be inserted to this sheet and to our catalog. Changes shall also be posted on our web site www.austc.us.

Initial : _____

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law. Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to: **The Bureau for Private Postsecondary Education**, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov , Phone Number: (916) 431-6959 Fax Number: (916) 263-1897
